

## Putin on the Ritz

V6

**Boris**

Oh yes my little droog!

**Imitator (As Putin)**

If you're new and you need a loan or two,

Why don't you go where fascists sit?

Putin on the Ritz!

Come let's dance, in brand new pants

Shirts and shoes ah yes, what a perfect fit!

Putin on the Ritz

Our shoes are a special kind of creature

Cuz if you fail we add the cement feature

**Ens**

Knieper leaper!

**Putin**

So come let's mix where Bolsheviks

loan outfits with poi--sonous interest

Putin on the Ritz

Have you got the will to do

What it takes to see this through

Dance the dance they tell you to

Run and jump and right on cue

High Crimes and Misdemeanors

Street thugs with grim demeanors

Spending every dime for unspeakable crime!

So... if you're new and you need a loan or two  
Sign here and bark like Pavlov's bitch  
Putin on the Ritz  
Gotta dance!

**Boris**

No really, you gotta dance!

**Putin**

### **TAP DANCE SOLO**

You know, we are not so dissimilar you and I  
You have Trump  
We have Yanukovich  
No difference!

You have kool aid, we have gulag?  
Sounds the same – maybe a little different heh heh

You have Freedom of Expression  
We have Freedom of Oppression  
What is two letters between friends?

### **END BREAK SOLO**

BEGIN 2nd TIME THROUGH

**Putin**

Donny boy sure glad you're not Obama  
But if you fail --

**Ens**

*prehstí* --

**Putin**

you're still a goner

**Ens**

Dosvidanya!

**Putin**

So come let's mix and rock with felons and sketchy ... appa--rrrrr-atchiks  
Putin on the Ritz,

Are there limits to your tune?  
Is there anything too vile for you?  
Sordid deals you might forego  
And forget the extra dough?

High Crimes and misdemeanors  
But what's a crime once you're the leader?  
You'll spend every dime  
And spread unspeakable slime!

So! If you're new and you need a loan or two  
Please sit down,

**Boris**

no I (must) insist

**Putin+Boris**

Putin on the Ritz, Putin on the Ritz, Putin on the Ritz

**Boris**

Ahh yes, there, there -- my new comrade...

END SONG!
