They'll never get me

[Song is all Es and Ys for vowels, no A, I, O or U]

TRUMP:

They'll never get me, never get me, Never get me Never!

They'll Never Get me! Never get me, never get me ever

We'll empty the sewers, dredge the dregs,

Lynch the dems' henchmen, fell the deep feds

Pepper these Berkeley type celebs!

We'll never rest! Let them beg!

The nervy, cheeky, lefty geeks,

These Ellen Degeneres, Meryl Streeps

These Kennedy Types, Westchester's effetes

These tweedy twerps, these creepy sheep

SEWERS!

They Try Yet...

They'll never get me, never get me, Never get me Never!

They'll never get me, never get me, Never get me ever!

They'll never get me, never get me, Never get me Never!

They'll never get me, never get me, Never get me ever!

The pretend news! CNN's pesky geeks

Meet the Press, NBC, Newsweek!

Welker, Gretchen, Megyn Kelly -- yes, three sketchy serpents there!

Jezebels, hell wenches – they bleed everywhere!

Well, They'll never get me, never get me, Never get me
Never!

Never get me, never get me, Never get me EVER!!

We'll get THEM! They'll see!

Hmm -- let's reset, recenter here

Remember ever clever HRC, she - the prez never
elected,? --

The Dems blessed her - the Wellesley shrew - me they
never expected!

Well here's my better news, she'll get the pen

We'll sentence her! we'll never relent

Better bet her stretch'll never end!

We'll get her, -- Sweet revenge!

SWEET Revenge!!!

Then remember “feel the Bern”, the fresh rebel yell? --

Rejected!

The rep the dems then selected?

The Sleepy, sheepy ex-Veep -- he'll never get elected!

Send them help!

They'll Never Get me! Never get me, Never get me never!

They'll never get me, never get me, Never get me ever!

Then we'll erect the fence, repel the enemy

These lesser leeches, perverted pygmy –

feckless ferrets, feeble gypsy

they breed dysentery, ecch deny them entry!

They need help? Shelter?

Psych!

They seem Hershey's Nestle's sweet?

fjfjMh-mh! Jekyll/Hyde!

Screw them!

These feeble, helpless, needy – heh, heh -- NYET!

Let them beg, weep, cry HELP,--we'll expel them GET!

We'll wrench the teeny helpless whelps -- yes, wrench them free!!

Then we'll keep them endlessly segmented -- yes, by my
decree!

They'll never get free!

Never, yes they're the enemy!

They'll never get me, never get me, Never get me Never!

They'll never get me, never get me, Never get me ever!

They'll never get me, never get me, Never get me Never!

They'll never get me, never get me, never ever ever get
me!

THERE!

Tweet, tweet, bye, bye

THE ... END!
