That Marvelous Me

(Anapestic Tetrameter, Yertle the Turtle)

[For reference: **Yertle the Turtle, last two verses:**

And Yertle the Turtle, the king of the trees,
The king of the air and the birds and the bees,
The king of a house and a cow and a mule...
Well, that was the end of the Turtle King's rule!
For Yertle, the King of all Sala-ma-Sond,
Fell off his high throne and fell Plunk! in the
pond!

And to say the great Yertle, that Marvelous he,
Is King of the Mud. That is all he can see.
And the turtles, of course... all the turtles are
free
As turtles and, maybe, all creatures should be.]
